REGISTRATION E G I S T R A T I O N

Remember how
simple
life used
to be?

Life wasn't simple anymore —
after registration and
moving into the dorm,
freshmen began to
realize their lives were
never going to be
the same . . .

The community did its
part in welcoming
new students and
remembering returning ones
by sponsoring the
annual Buckaroo Breakfast.

Their message?

Nampa cares!

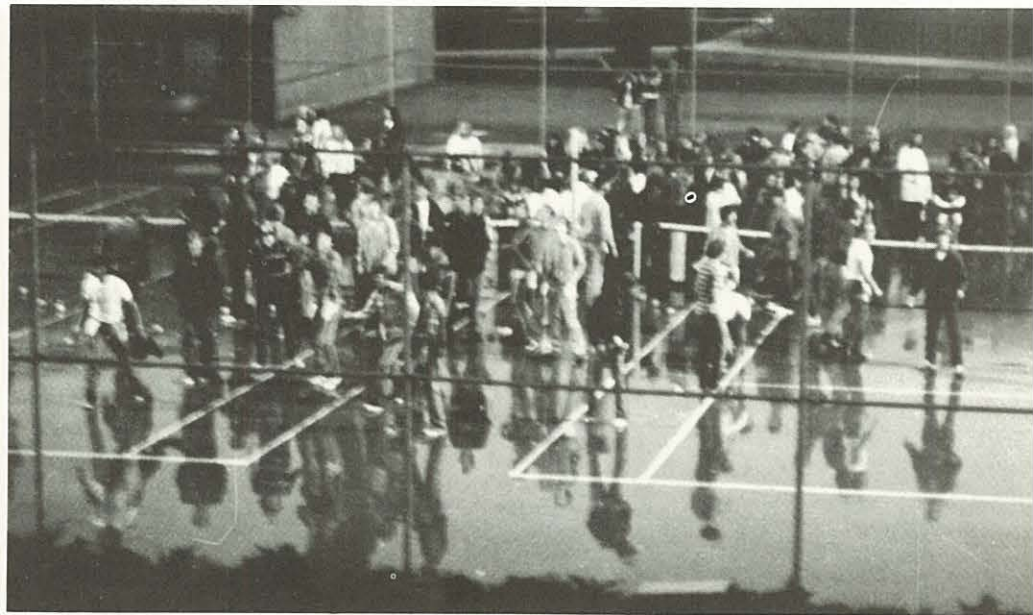

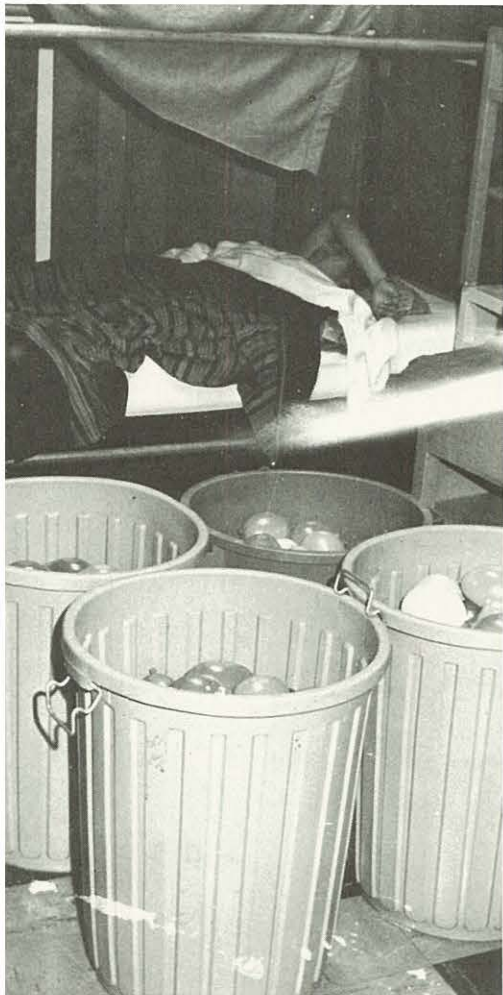

The faculty cares, too,
and the Student-Faculty
Reception proved that
teachers and administrators
are people!

It is to remember;
A subjective entity
An empirical event.
A long summer's eve,
A moon above,
The vision of time gone by
No longer present.
Tis an unusual item;
A memory is . . .
Yet time and frequency
Change the unusual to the
Usual.
Relive, and begin again
So that your mind's bank
Will always be full.

Man, what Rev. Higgins said today in chapel really struck home, Lord. Especially what he said about Christians putting up veils or false fronts so that others won't see that they're losing the simple abiding presence of the Spirit.

I've been wearing veils like that Lord. What with my office and everything, I worry about people thinking that I'm not a Christian. So . . . I go around saying Praise-The-Lord, praying at least one minute before every meal, and the like, to prove that I'm still saved, sanctified, satisfied, etc. You know something Lord, I've never been so down or lonely in my life!

Jesus, help me to tear down these veils and expose my life to the guiding and purifying light of your presence. Help me not so much to live "right" as to love you. Give me the freedom in the Spirit that your Word speaks about so often.

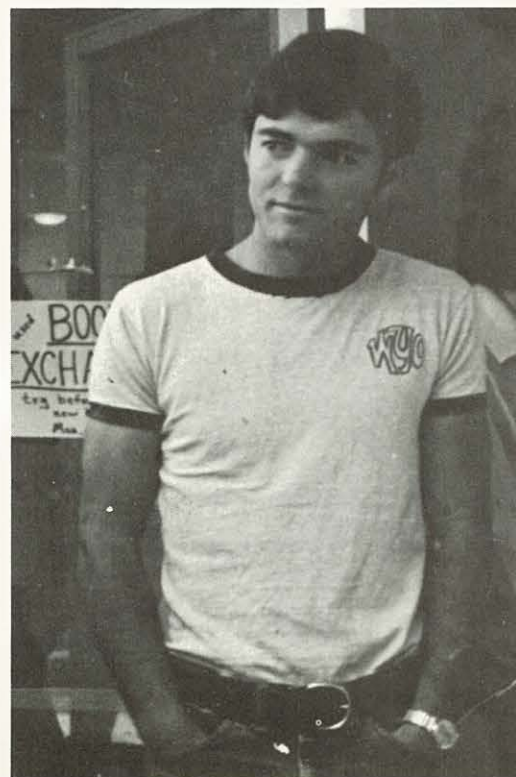

Thank you for caring so much for me while I was still a sinner that you would give your life. And, thank you even more for loving me so much that you don't give up on me, even when I'm clumsy and slow in my growth. It's nice to know you can empathize with me. After all, you've experienced loneliness and the feeling of desertion, too. Like the time in the garden, or on the cross. Lord, help me to come through it as victorious as you did. And, if possible, let my life be more of a blessing to others because I've experienced these times.

I ask all this in your precious name.

Amen

Coach Paul Taylor

The cross country squad had a solid season this year, but was unable to capture a first place in any of their seven meets. The competition was tough, but they held a strong position in each meet. The team was led by Steve Hills getting 96 total team position points. He was followed by Randy Fox with 121 and Dick Huling (who ran in 6 of the 7 meets) with 108.

BASKETBALL

Varsity

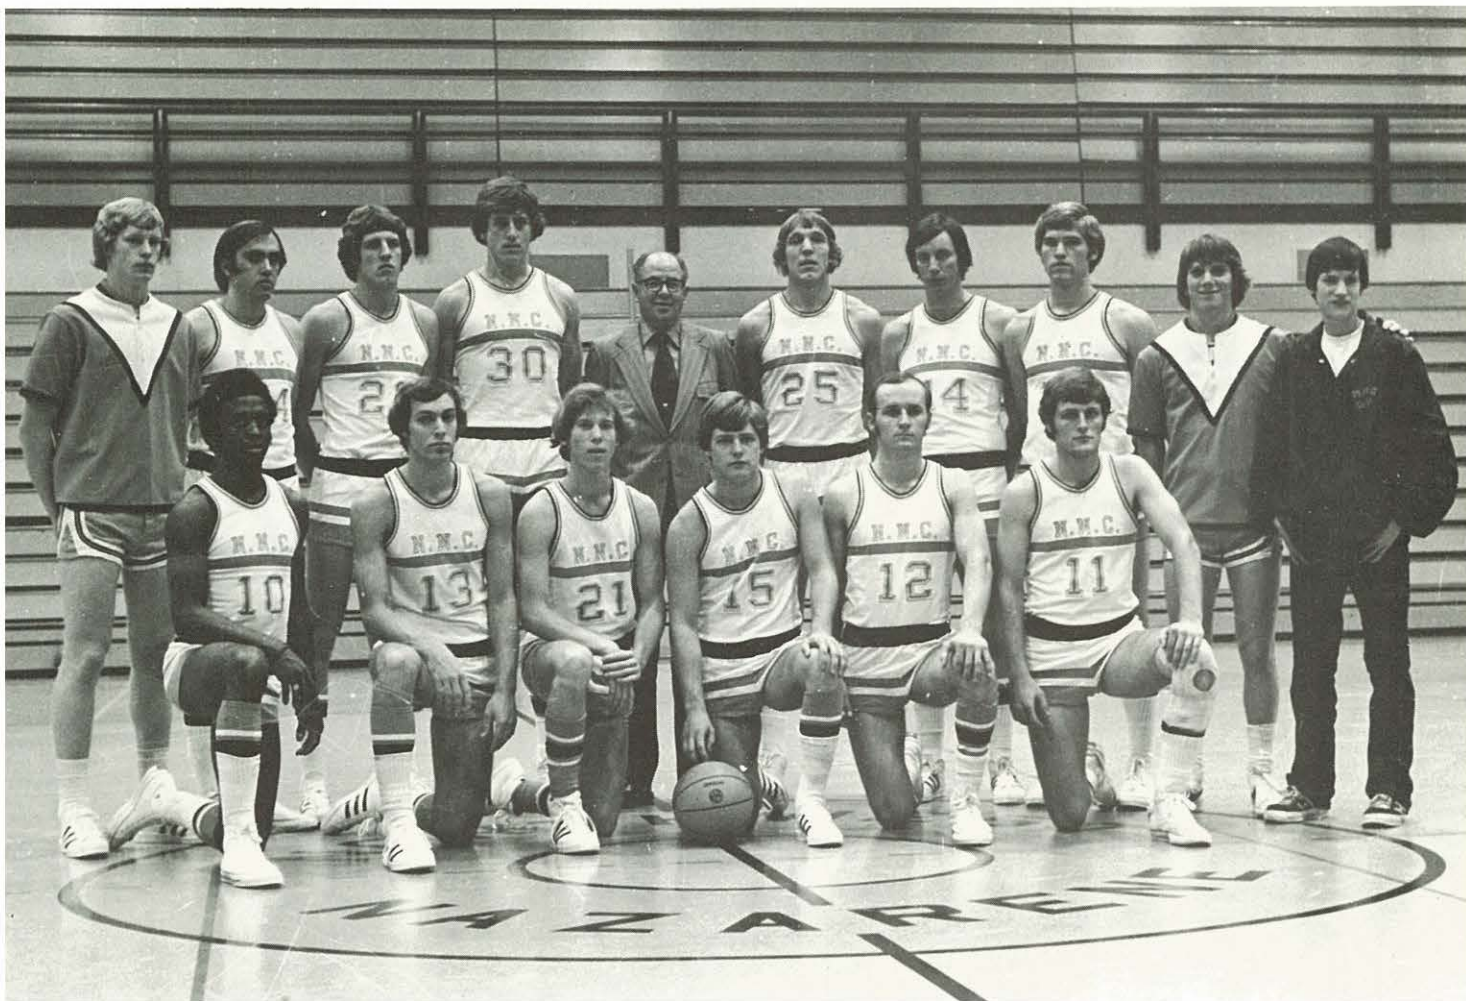

The Crusader basketball team had another disappointing season this year. They ended up with the same record as last year, 11-16, due mainly to the absence of Paul Ellerbrook who was ill during a major part of the season. Another contributing factor was that there were two freshmen and six sophomores on the varsity squad. The slow start really hurt the team, however, the Crusaders did a remarkable job in the latter part of the season to win 7 of 9.

Ray Rumpel had an outstanding season, making the All-District First team, All-Northwest Second team, All-Nazarene All-star team, and All-American honorable mention. He also led the team in 14 of 16 categories, this year. Ray also moved into second place in all time scoring at NNC behind Gary Lock (2251), with 1632 total points and second place in rebounding behind Gary Lawson (1419), with 1341. Ray's 539 points moved him into fifth position in the most points scored in one year. Paul Ellerbrook had a good season, although he was not able to play the entire season. He had a 9.3 rebound average and a game average of 9.7 with a field goal percentage of .471. There are 10 varsity members returning next year and with the good JV record (18-6), it could be a very winning season.

WRESTLING

The NNC wrestling team had another disappointing season this year, due to a plague of injuries. Several players were out of commission with sprains and broken bones.

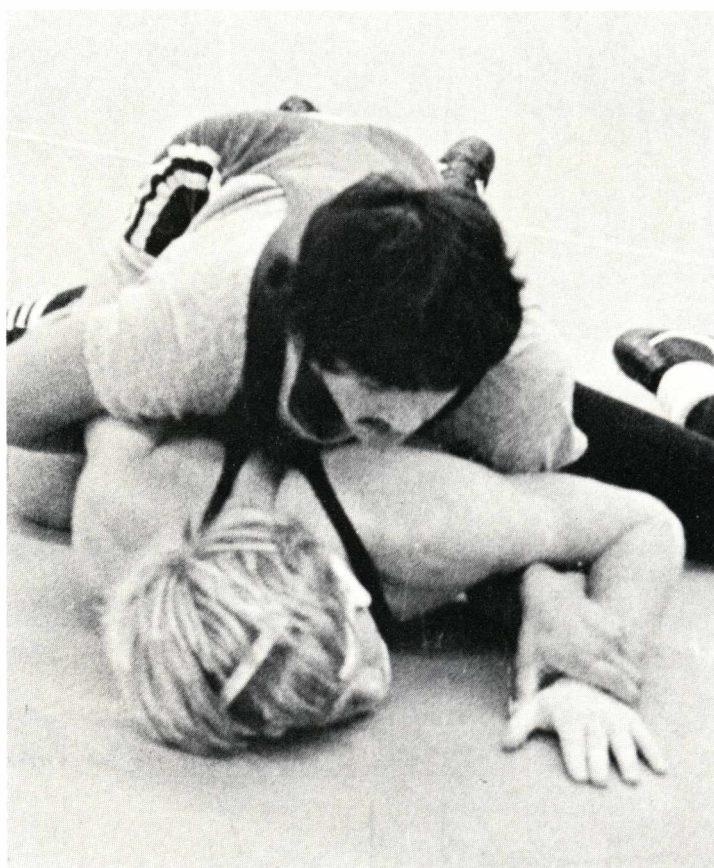

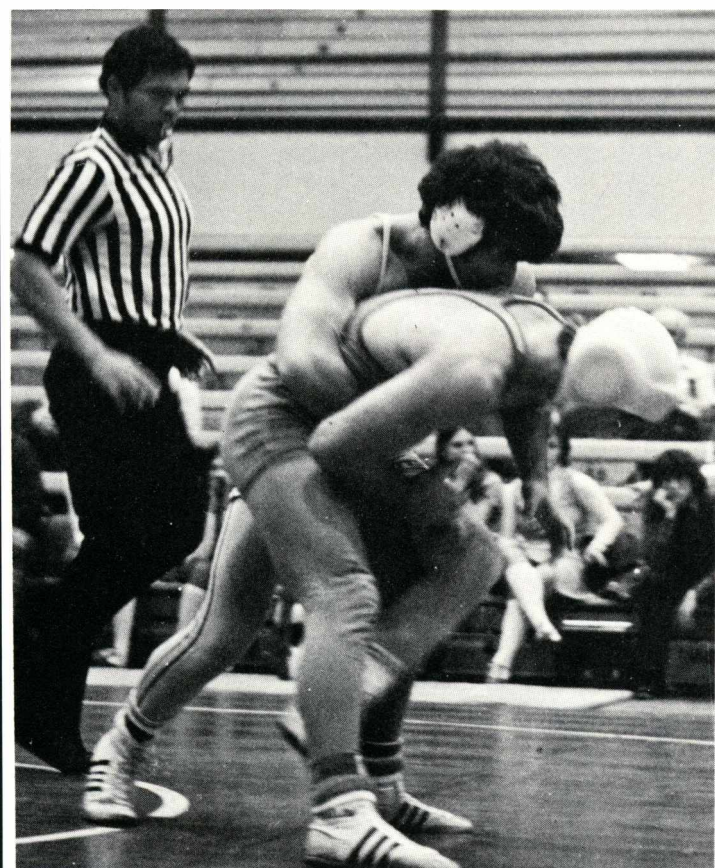

The season ended with the NAIA District Tournament at NNC. Though we finished 9th out of the 10 team tourney, we had 2 fourth placers in Gene Benjamin (118) and Rick Powers (150).

If we can cut down on the injuries next year, we will have a very much improved season.

Row 3: Coach Elmore Vail, Terry Irish, Ron Zimbelman, Tim Godbey, Jeff LaCroix, John Meyer, John Spencer, Mark Spencer.

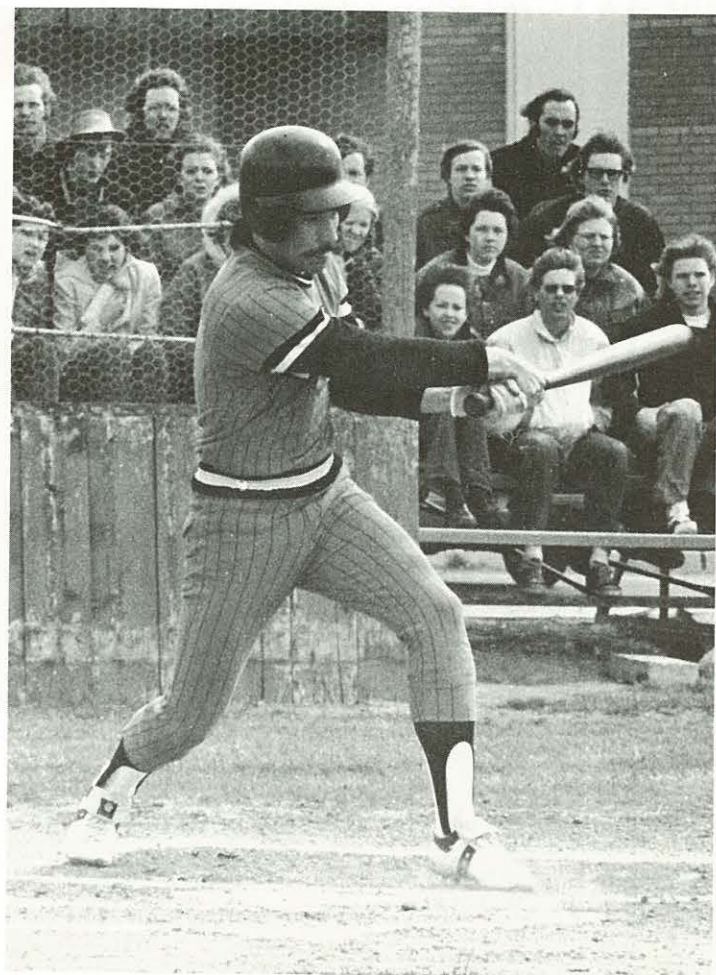

BASEBALL

The Crusader baseball team had a rather disappointing season this year. They ended with a season record of 6-25.

The outstanding offensive player was freshman third baseman Chuck Whisman. He led the team in five categories, including runs (20), hits (30), triples (2), sacrifices (5), and batting average (.341). His field average of .915 also proves his defensive ability.

Other impressive performances were by sophomore John Meyer who led the team in RBI's with 13 and by Mike Peck who led in stolen bases with stealing 6 out of 7. Terry Irish, senior, was the outstanding pitcher this year with an earned run average of 4.64.

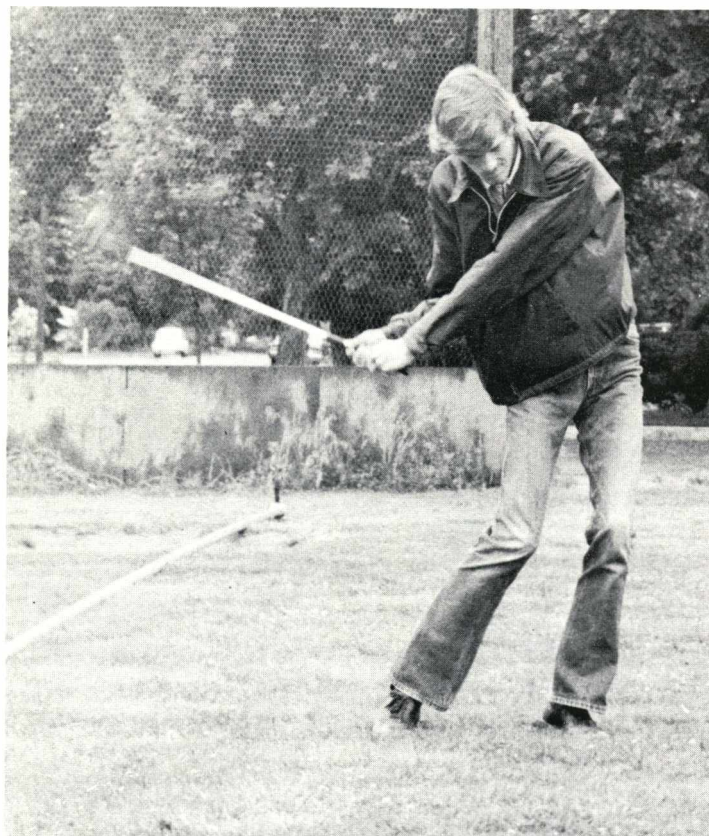

The highlight of the season was a double header victory against Columbia Christian, 16-1. Again this year, pitching was our weakness. If we can improve the team ERA of 7.17, we could have a good season next year.

Paul Hartwig, Art Horwood, Carl Cady, Tim Westerberg, Terry Veal, Frank Best

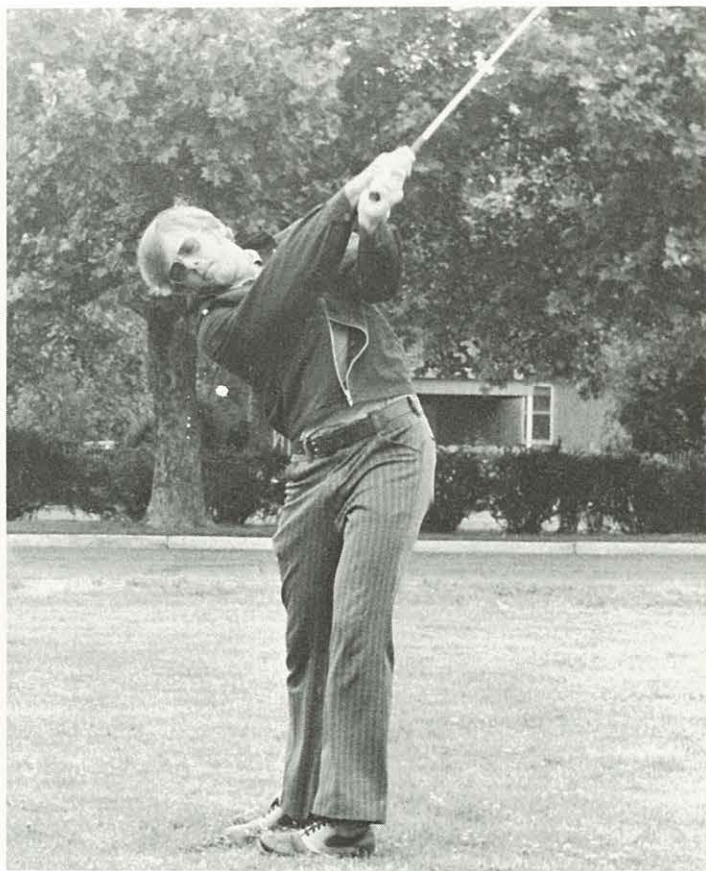

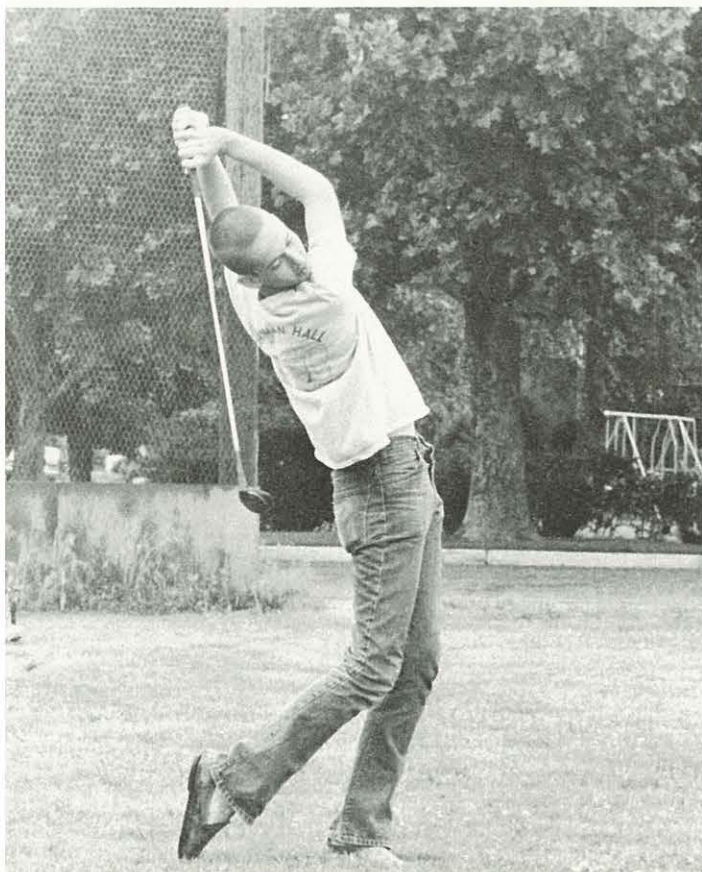

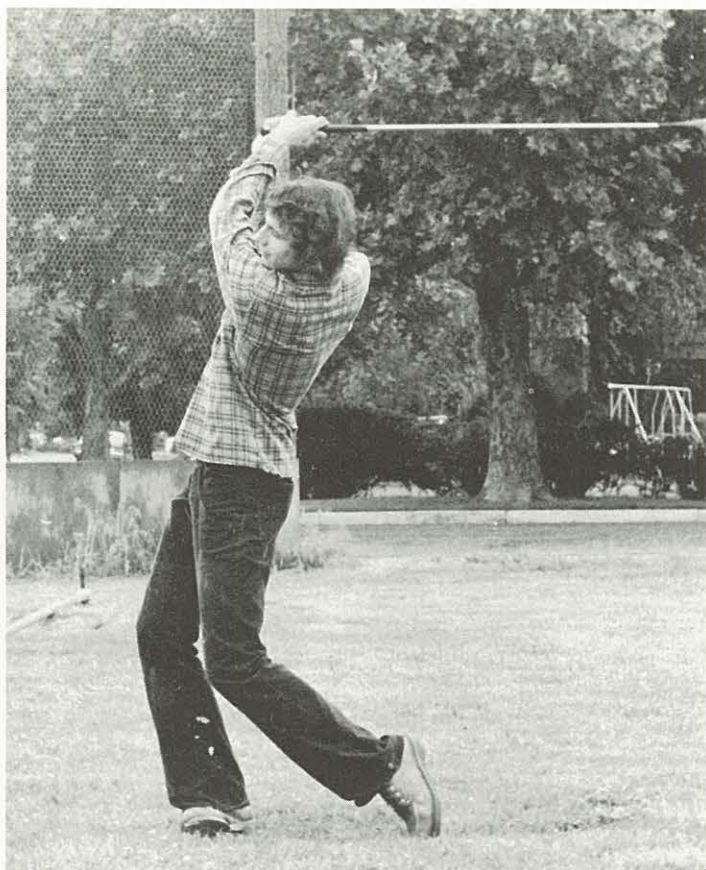

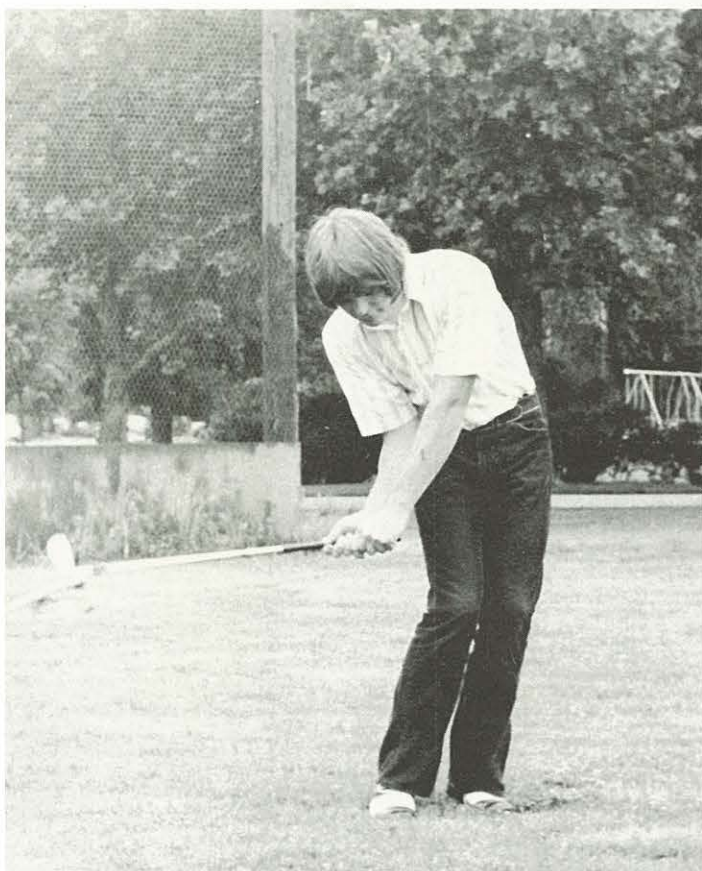

Tim Westerberg
NNC's No. 1 Golfer

The Crusader golf squad completed its 1974 season with a 4-7 record. Though it was a young team, it came a long way in a short time.

The team leader this year was again Tim Westerberg who completed the season with 9 wins, 2 losses, and 1 tie. He also competed in the NAIA District Tournament and placed second. The number two man on the team, Gerry Kau, is the only player who won't be returning next year so the prospects for the 1975 season look very hopeful.

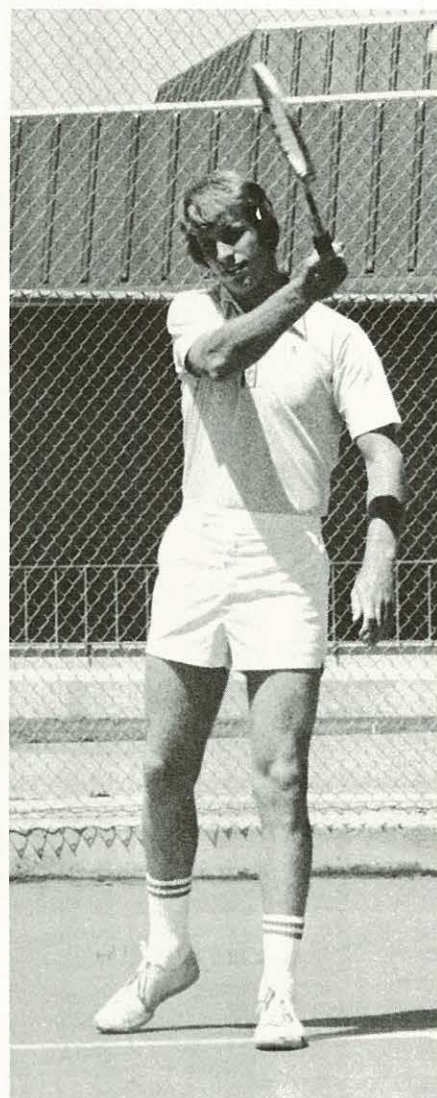

GOLF

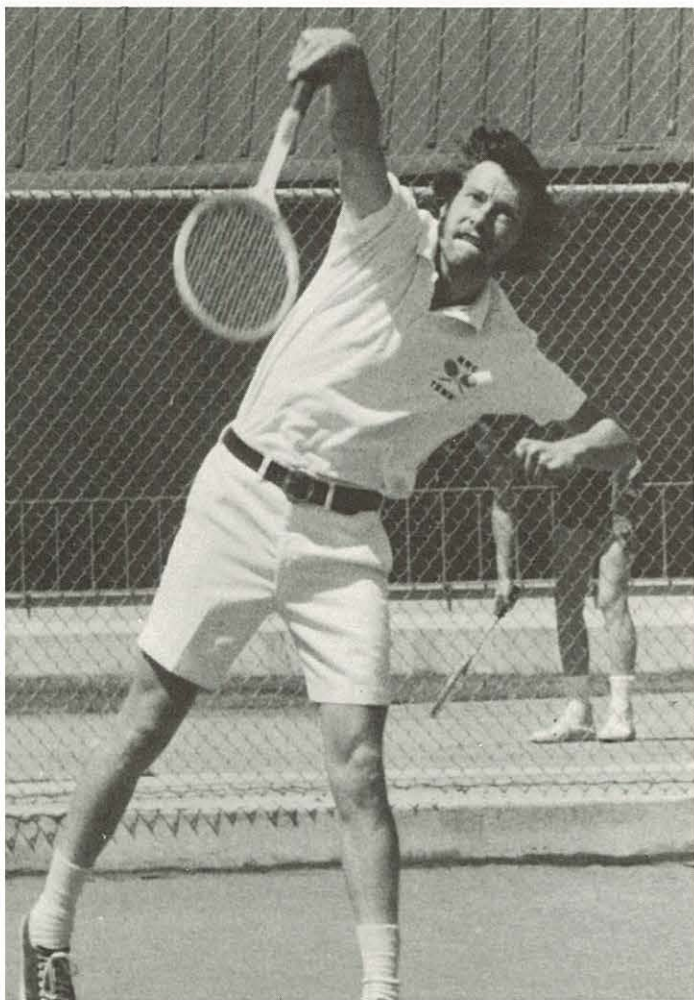

T E N N I S

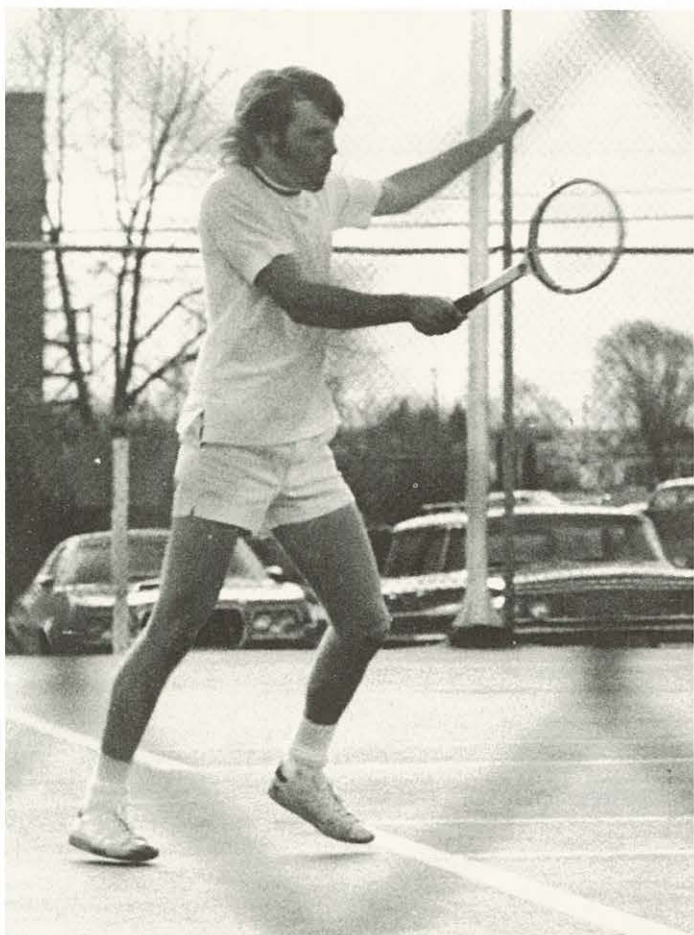

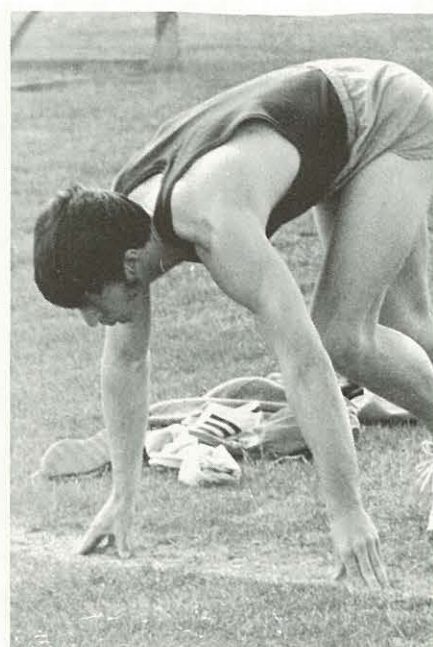

Row 1, left to right: Rex Wardlaw, Rich Hills, Dale Hill. Row 2: Marv Merkel, Stan Galloway, Everett Parker.

The Crusader tennis team finished this year with a 6-6 season record. Though the team was young and inexperienced, they won 4 of their last 6 matches. Veterans Marv Merkel (Sr) and Stan Galloway (Jr) provided the experience, and Everett Parker, a JC transfer, had the best record, 10-2. Rich Hills represented NNC at the District Meet winning his first match 6-4, 6-2, and losing his second 3-6, 5-7. Rich, along with Dale Hill, and Rex Wardlaw will all be sophomores next year and should provide the Crusaders with some good experience and leadership.

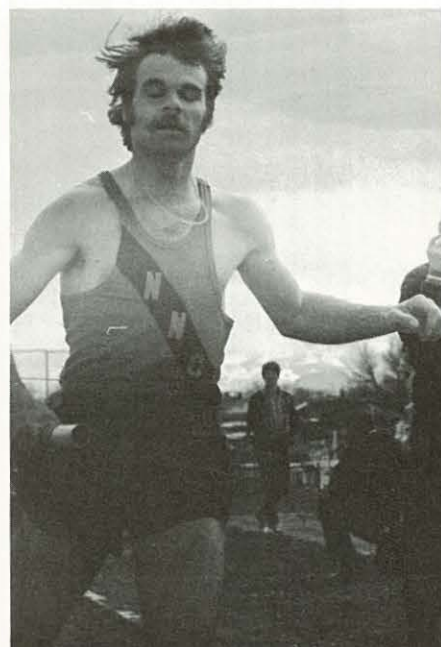

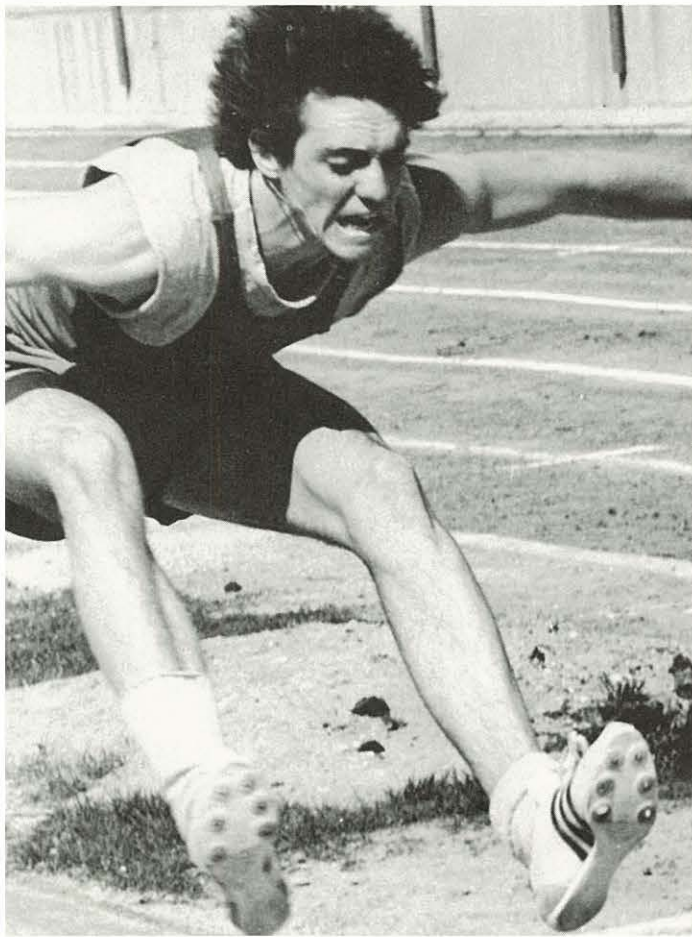

TRACK

PARTICIPANTS: Doug Beggs, Van Cummings, Randy Fox, Mike Gilbert, Randy Hibbard, Steve Hills, Dick Huling, Bob Jackson, Geren Manley, Rex Rosebaum, Don Scherer, Roger Schmidt, Sid Sever, Joe Simmons, Ken Sohriakoff, Ken Story, Dave Streight, Bruce Wasson, Steve Wolfe, Steve Grudup, Larry Fitsh.

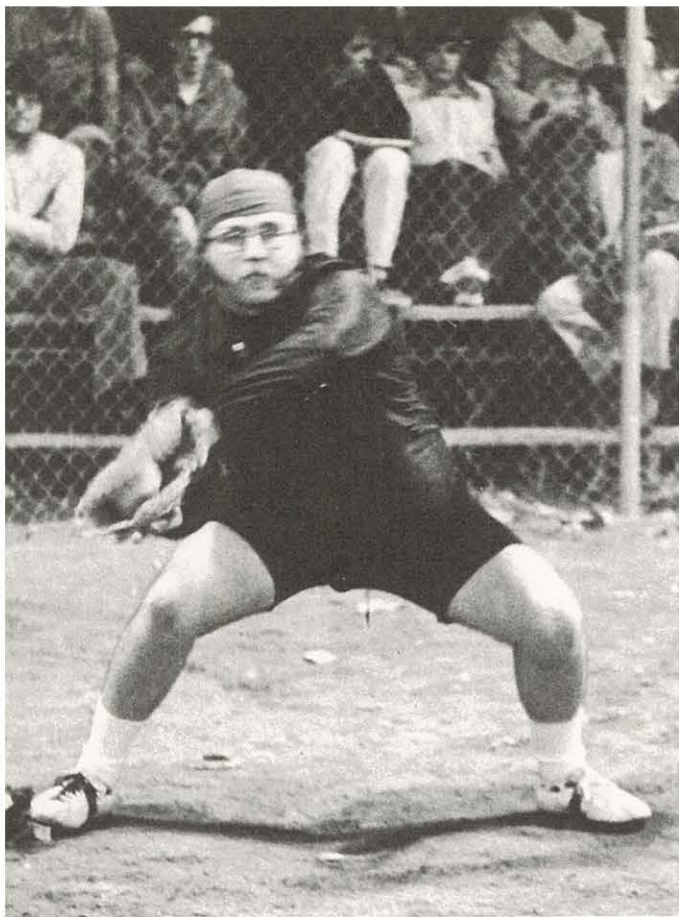

This has probably been the best year for the track and field team in the history of NNC. School records were broken in the 880, mile, sprint medley relay, mile relay, 440 intermediate hurdles, long jump and triple jump.

We had nine meets this year with the Crusaders managing three firsts, one tie for first, one second, two fourths, one fifth, and one sixth. One of the highlights of the season was our first place in our own 25th Annual NNC Invitational. Another memorable event was when we sent 9 men to the NAIA District II Track & Field Championship Meet in Salem, Oregon. Out of 10 teams, NNC did well to gain fifth position.

We also sent three NNC track men to the NAIA National Track and Field Meet in Arkadelphia, Arkansas on May 23, 24, and 25. Dick Huling competed in the 880 yard preliminaries, breaking the school record and his personal best with a 1:53.4 but failing to qualify for semi-finals by one tenth of a second. Steve Hills and Steve Wolfe failed to move on to finals with Hills running the mile in 4:13.4 and Wolfe competing in the triple jump with a jump of 47' 4 3/4".

With Steve Hills being only a freshman and several other lettermen returning, next year promises to be a great one for the Crusader track and field squad.

Steve Galloway with Coach Elmore Vail, Intramural Director and Advisor.

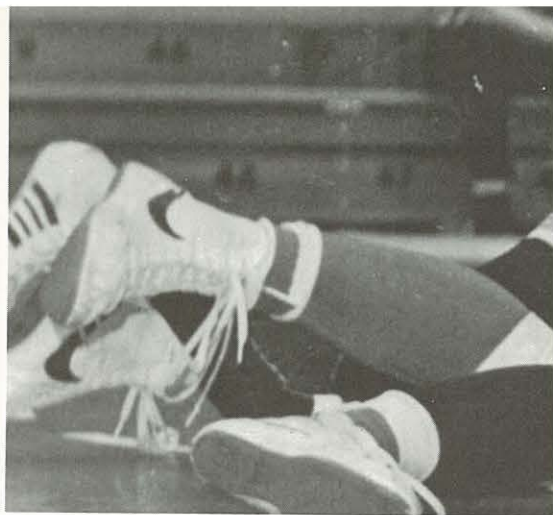

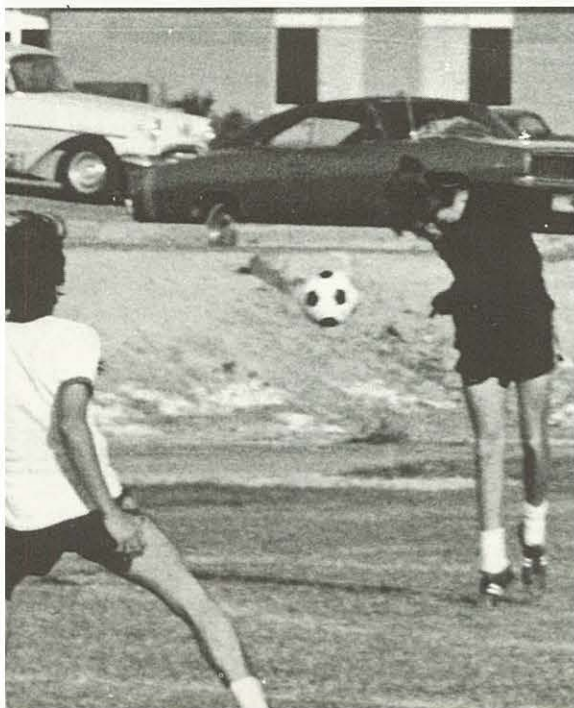

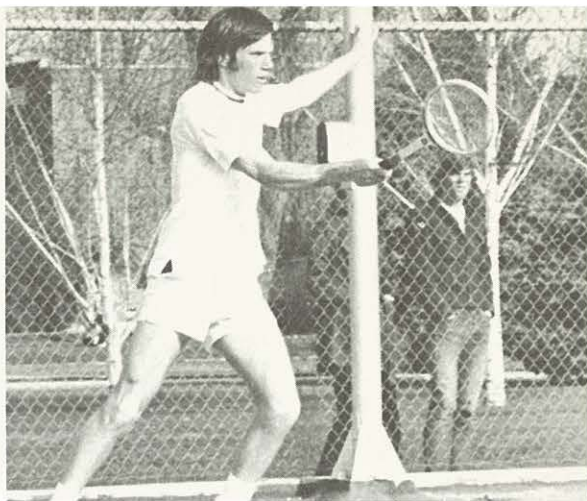

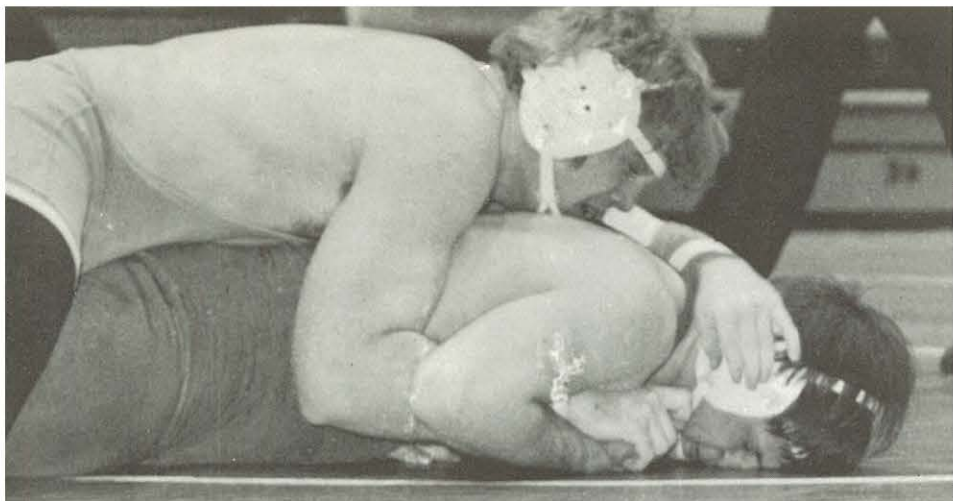

Cynthia Millen, Intramural Secretary

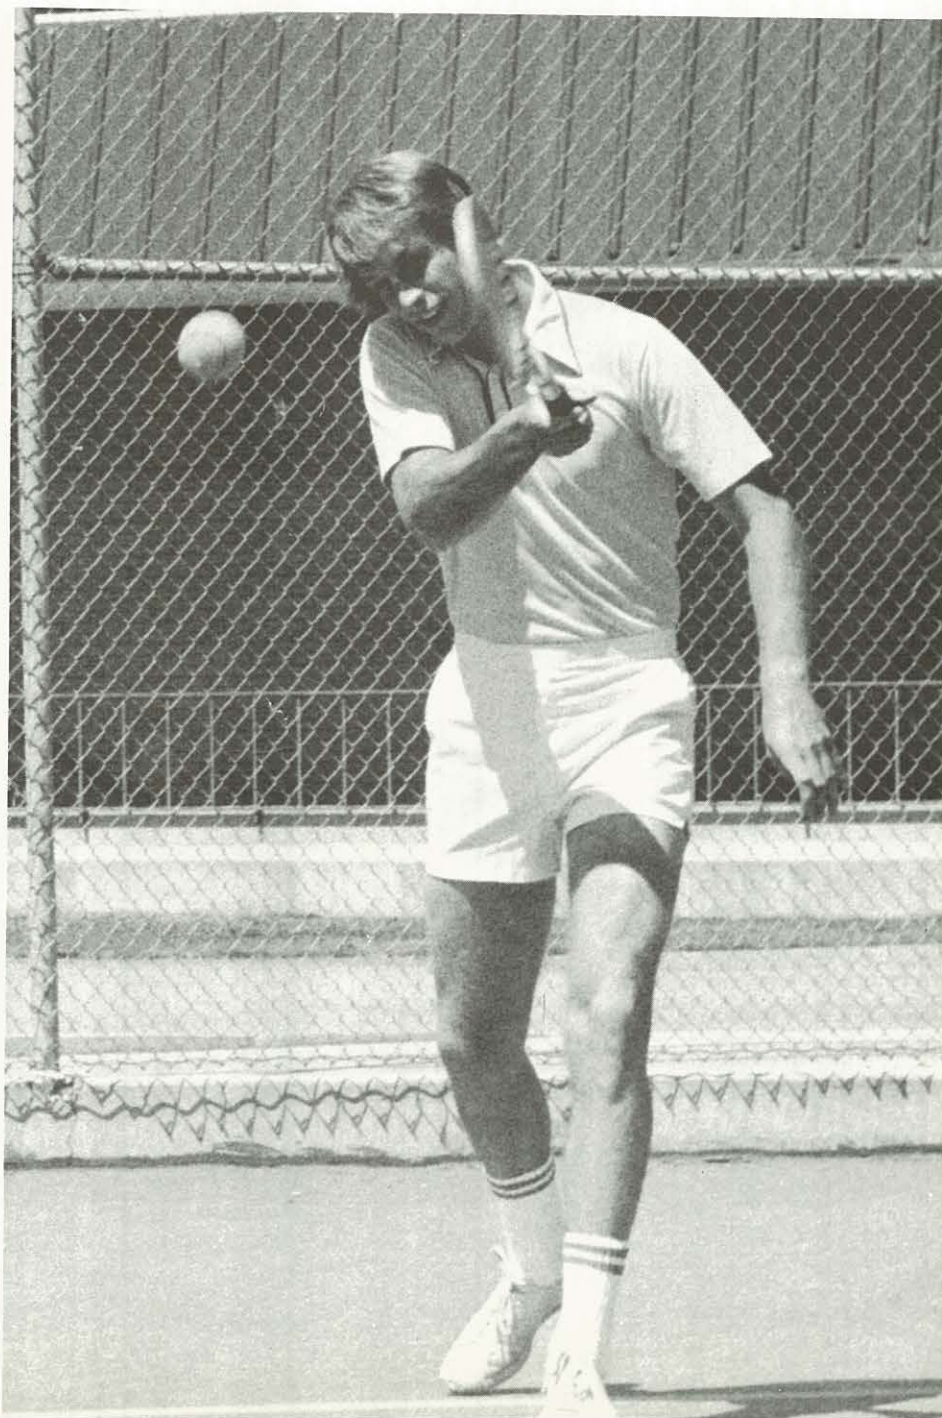

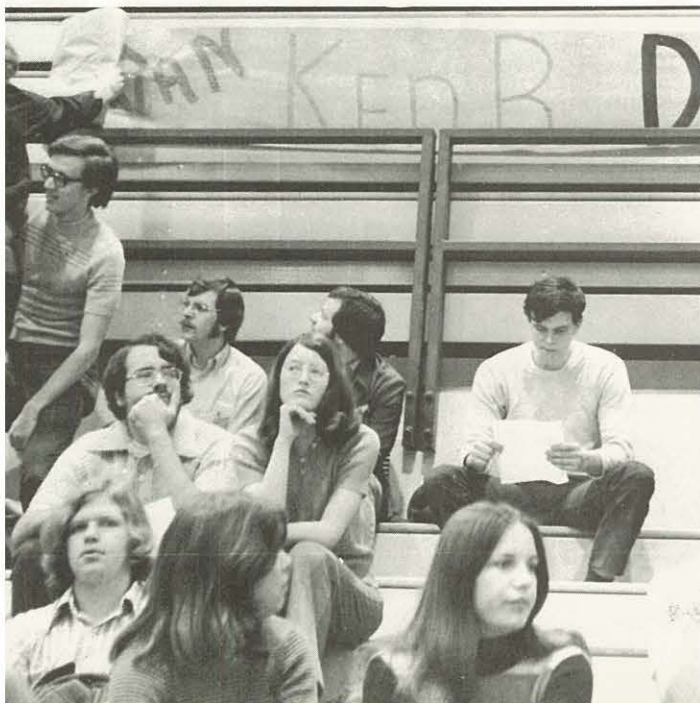

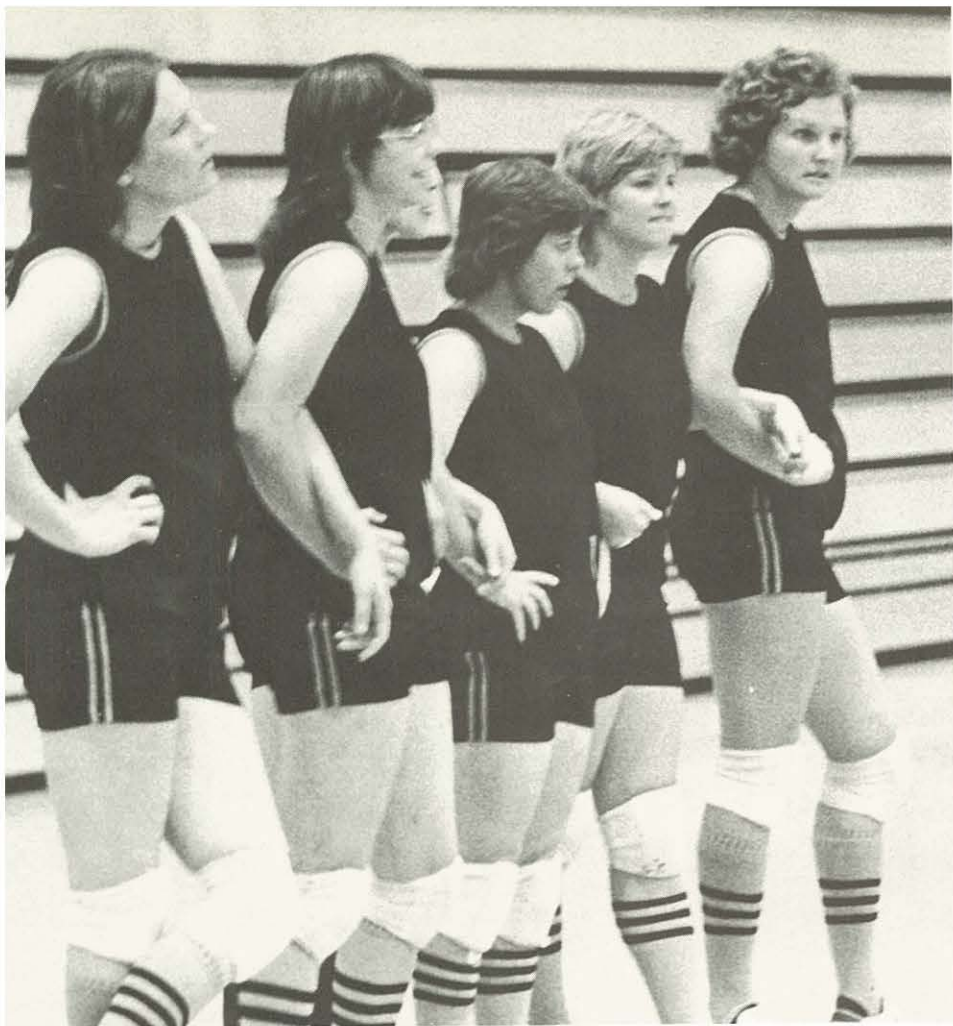

Intramurals this year were well conducted and participated in. The final tally of points indicates the outstanding society this year was ADP with a total of $8620\frac{1}{3}$. Second place went to the LSP society with 6197. The SLA's, Olympians, Spartans, and Athenians followed respectively.

The Intramural track meet was the highlight of the year. The man with the top total points was Rick Edwards with 17 points. He placed first in the long jump, second in the triple jump and 100 yard dash, and third in the 220 yard dash. The top woman was Arlette Childs with $22\frac{1}{3}$ points. She placed first in four events including the long jump, shot put, softball throw, and 440 relay. She also placed third in the 440 dash. The winning society of the meet was the Olympians with 83 followed by the ADP's, LSP's, SLA's, Spartans, and Athenians, respectively.

Goals,
And then I'll feel
That I belong to NNC
And I am a vital part
Of the work of government
And communication
And purpose of
Everything we stand for:
The kingdom,
The person,
And God.

"Be sensitive to My Spirit. Be listening for My voice. I will guide thee with my hand upon thy shoulder. I do not intend to circumscribe thy way nor to handicap thy freedom, but rather to lead thee into an increasingly abundant life, and by crucifying the wills of the flesh, to liberate thy spirit. Stay pliable in My hand, neither resist Me as to what I am making. Trustingly give Me a free hand. It will be a surprise and a joy when the end is revealed."

I am a part of all that I have met;
Yet all experience is an arch wherethrough
Gleams that untraveled world,
Whose margin fades
Forever and forever when I move.
How dull it is to pause, to make an end,
To rust unburnished, not to shine in use!

Many of us lose confidence in
prayer because we do not
recognize the answer.

We ask for strength and
God give us difficulties,
which make us strong.

We pray for wisdom and God
sends us problems the solution of
which develops wisdom.

We plead for prosperity and
God gives us a brain and
brawn to work.

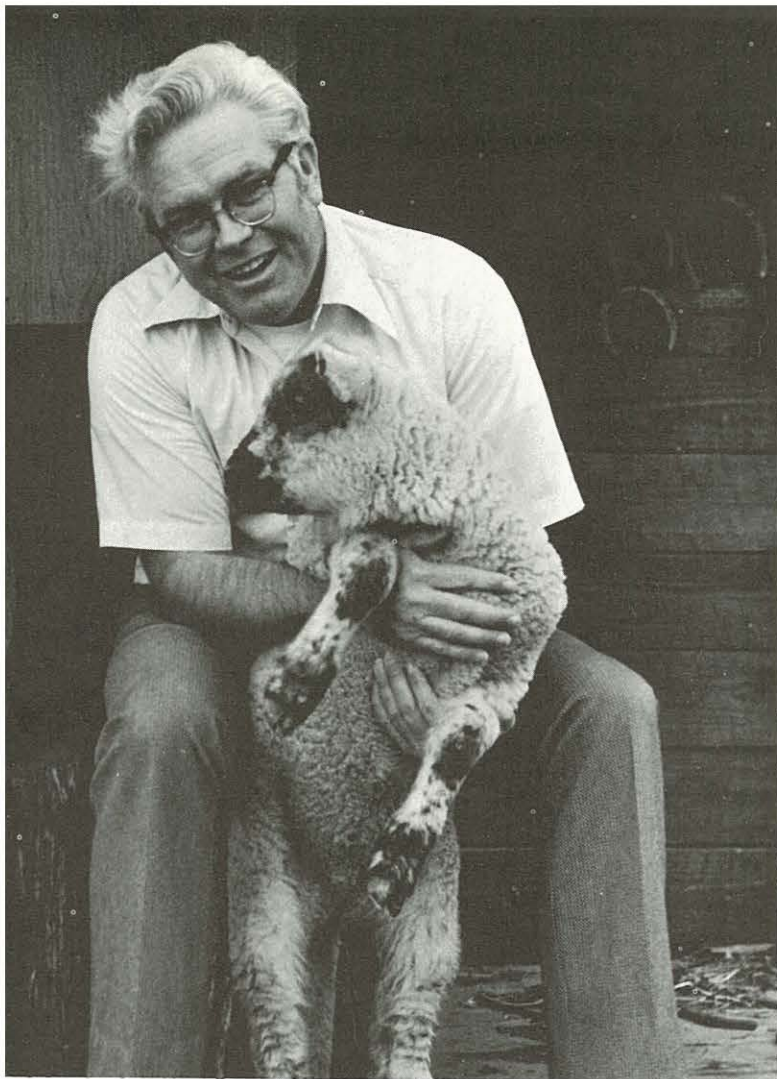

We plead for courage and
God gives us danger
to overcome.

We ask for favors and
God gives us
opportunities.

LIFE

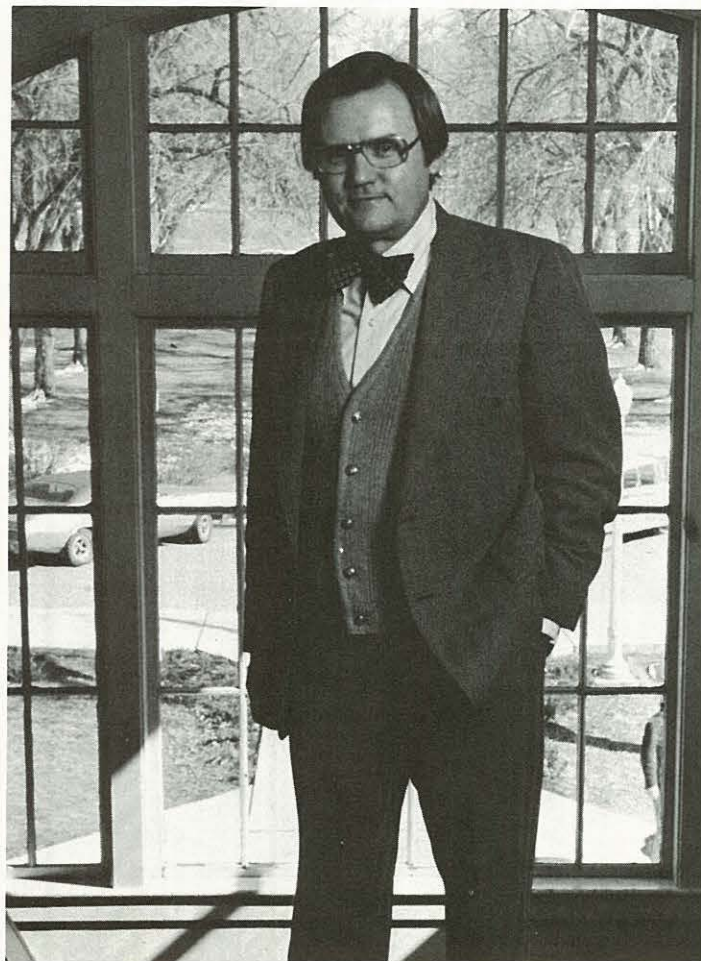

Oh Life — that sweet
and precious thing
To man and beast
and bird on wing!
To every lowly living thing
Its greatest treasure.
Let me not take it cruelly
Nor cut it short
in wantonness
Nor cage it up
in thoughtlessness
For my own pleasure.
But rather may I
be the friend
Of all who live their little day!
Be strong to guard
and quick to tend
My little brethren
on their way.

Rev. Charles Higgins said as long as you are walking in the light, nothing can frustrate the will of God for your life — He can work despite prevailing circumstances and impossibilities as well as stupid human mistakes and weaknesses.

ELECTRICITY . . .

the environmental energy

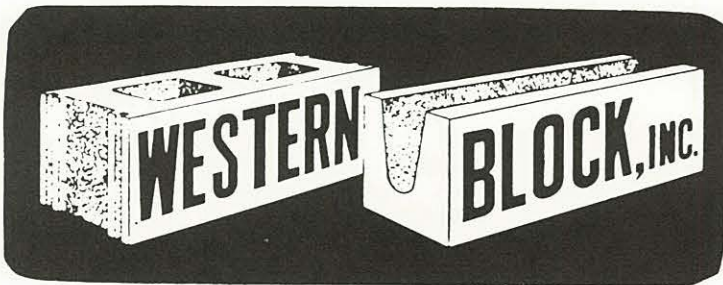

Electricity is working every day to clean up the environment — in sewage treatment plants, in recycling waste materials, in removing pollutants from industrial smokestacks. More than half of all newly patented pollution control devices run on electricity.

Helping keep the environment clean is just one of many new needs for electricity. It's one of the reasons Idaho Power must continue to build generating facilities. Electric supply must keep pace with demand if we all are to enjoy a quality life.
