Fall is Busy Season at N. N. C.

VETERANS RETURN—These seven lettermen, shown with Coach Orrin Hills, will form the nucleus of this year's basketball team which began practice Monday. Left to right are Mickey Dean, 6-2 forward; Leon Doane, 6-4 center; Darrel Reisch, 6-4 forward; Duane Peppley, 6-1 guard; Clarence Kinzler, 6-4 forward; Hal Weber, 6-0 guard; Duane Stueckle, 5-8 guard, and Hills. See the story on page three.

Freshmen-Sophs Vie in Flag Hunt

Rivalry between the freshman and sophomore classes will come to a peak tonight when they vie in the annual Flag Hunt.

Members of the classes will meet in front of the Administration Building at 7 p. m. The Flag Hunt will get underway after the hunt rules have been given.

Class members must stick together and no cars are allowed. Everyone must be on foot.

The Flag Hunt should be over by 11:30 p. m., so the two classes have planned a party in the dining hall to be held from 12 midnight to 1 a. m. There will be games and refreshments.

Both classes promise that the clues will be more difficult to find and to solve than they have ever been. This is a chance, Freshmen and Sophomores, to help your class and have a lot of fun doing it.

The freshmen will have to get up early tomorrow morning and put in two hours of work, unless they have already done it this

afternoon.. This will conclude the initiation, except for the wearing of their green beanies every Monday and Wednesday until Thanksgiving.

Junior-Senior Scavenger Hunt Tonight

While the freshmen and sophomores are wading through ditches and climbing trees in order to find a slip of paper, the upper classmen will be pulling hairs out of a horse's tail or hunting for a shoe belonging to the mayor of Nampa.

Yes, once again the juniors and seniors match wits in the annual Scavenger Hunt.

Junior class president, Clarence Kinzler, reports that juniors and seniors will meet at Morrison Hall, Friday at 7 p. m. From there they will go to the Lakeview Park House where the hunt will take place.

The hunt is to be over by 11 p. m. The two groups will meet

Speech and Music Contests in One Week

Finalists representing each society will compete for top honors in the speech and music contest to be held Nov. 11 at 7:30 p. m. in the chapel.

Extemporaneous and humorous readings are the two divisions in the speech contest. There will be one representative from each society in each of the divisions according to Quincy Angier.

Divisions in the music contest are women's solo, women's trio, men's solo, quartet, and ensemble. Each person may participate in only two divisions.

Time limit for extemporaneous speeches will be two minutes. Each person will be given five minutes to prepare a speech, on current world events. There may be any amount of preparation for the humorous readings, but they are to be only eight minutes in

back at the park house for games and refreshments. The articles will then be counted and the winner will be announced.

Civic Music Association to Present Concert Series

For the first time in several years, Nampa is going to have a concert series. A Civic Music Association has been organized and plans are made at the present time for a membership drive Nov. 7-11. The annual dues will be \$6.00 and members may attend all concerts presented by the Association without further expense. The concerts will be held here in our college auditorium. The main reason for organizing the Association is to provide concerts for the student body of NNC. In order for the concert series to be a success, it will be necessary to have the support of the student body and faculty.

The citizens of Nampa are behind the project and it is hoped that many memberships will be sold in the community.

Mr. Double E. Hill, chairman of the Division of Fine Arts, is president of the association and he hopes that it can bring four top concerts to our campus. If the majority of the seats are sold, there is no reason why our college cannot secure some of the best talent in the concert field. One of the attractions will be the Winged Victory Chorus — a male chorus of 20 voices that was very popular last season in its concert tour. Other concerts will perhaps feature a violinist, pianist or piano ensemble and a vocalist. Students may purchase their tickets from Joy Tink, one of the divisional chairmen of the association. Concert headquarters will be at the Winther Music Store. Memberships will be sold **only** during the campaign week (Nov. 7-11) and **not** at the time of the concerts.

Faculty Preaching Is Slated for November 14-20

The ninth annual Faculty Preaching Mission will begin Monday, November 14, and run through Sunday, November 20.

During that week members of the faculty will be in charge of the chapel programs, the Wednesday evening prayer meeting, and will conduct the Sunday evening service.

Will You Score?

By DR. THELMA CULVER

in baseball.

Ty Cobb, by sheer adventure, skill, and drive could turn a base on balls into a score — he forced two wild throws by opposing infielders, made a slide ten feet before he reached third, and by quick coordination following his slide brought these four "breaks" into a score.

Walker, a man who had all the physical qualities to be a great player, hit what should have been a home run — and was thrown out at third. All who knew the game agreed that Walker's slow start from home plate, the wide turn

Branch Rick-ey, a baseball man, relates the story of TY Cobb and a man by the name of Walker as illustrations of qualities which make for success or failure

at first, the walking trot around second, and the slide to the wrong side of third really made the difference between a score and an out.

As I read the article I mused thus: Baseball is Branch Rickey's business, - education is my business. However, I have seen the same qualities he mentions make for success or failure in college — a poor start in the freshman year, a wide turn in social affairs, a walking trot in one's major, and a slide in study habits. No one of these in itself is fatal. But added together, they make the difference in the final score.

The quality so essential centers around working to capacity each day in every course and staying on the path which leads from where one is to where one wishes to go.

Be careful of the slow starts; avoid wide turns and be sure you slide on the right side.

for a passport he went to explore the colony.

When he arrived he found several other explorers. They decided to settle there so they signed the roll. Each person homesteaded a seat and soon claimed it as his own.

But that was years before. At the time of our story, our hero was old. His wisdom as a senior was greatly respected by the adolescents in the colony. The young athletes were striving to equal the many records he had set — mostly in skipping.

The young girls flocked around him. But he had little time for such immature frivolity. He wouldn't be with the colony much longer. In the anguish of his maturity he knew he would soon be passing on.

And sure enough, as the leaves withered and the birds flew south, the time came for our hero to go to his reward for working all sum-

Dr. Thomas S. Kerr To Visit Campus

Dr. Thomas S. Kerr, executive coordinator of the Higher Commission for the Northwest Association of Secondary and Higher Schools, will meet with the faculty and administration of Northwest Nazarene College at 9:30 a.m. Saturday.

Announcement of Dr. Kerr's visit was made today by Dr. Riley.

Dr. Riley pointed out that the members of the Northwest Association are now engaged in a process of self-evaluation of their members. Last year the University of Idaho and Idaho State College were evaluated. Slated for self-evaluation in 1956 is Boise Junior College with NNC scheduled for 1957.

Dr. Kerr will meet with BJC officials and faculty members on Friday.

Following his meeting with the NNC faculty, Dr. Kerr will confer with President Riley, Dean Thelma B. Culver, Dean of Students Thomas Leupp, Business Manager L. Wesley Johnson and Gordon Olsen of Eugene, Oregon, representative of the NNC Board of Regents. Together they will lay plans for organization of the self-evaluation program.

A third session will be held with Dr. P. A. Wesche, Dean Culver and Dr. Carl Hanson in regard to the proposed graduate studies program.

Dr. Kerr was Dean of the College of Letters and Science at the University of Idaho until his retirement last year. He served on the university faculty for 20 years. He has been active in public welfare work in Idaho and is the only man west of the Mississippi River to hold the distinction of being president of the American Business Law Association.

He visited the NNC campus in the spring of 1954 when he delivered the address for the annual senior investiture service.

mer. As we know he couldn't take his money with him so he left it at the business office. He was told he could bunk in Chapman Hall. Then he was registered and given many assignments. But the glory of his old age had disappeared and he was a frightened youth again.

He made friends quickly and completed his assignments efficiently. He was even able to grow a magnificent beard. But soon after he began to shave again, there came the greatest catastrophe he'd ever known. Next week I'll tell you about it —

Senator Dworshak Addresses NNC Students

"If you and your children do not accept Communism, perhaps your grandchildren may do so."

That, said Sen. Henry Dworshak (R-Idaho), is what Red party boss Nikita Krushchev told five United States Senators who visited the Soviet Union a few weeks ago. Sen. Dworshak was one of the five.

He spoke Wednesday morning in chapel.

He urged NNC students to be proud of American institutions and urged them to "meet the challenge to carry on as patriotic Americans in presrving our way of life"

Wesley Johnson, college business manager, introduced Sen. Dworshak as "an old friend" of NNC. Darrell Reisch, ASB president was in charge of the chapel program.

Sen. Dworshak said it was "gratifying to note the steady progress of NNC through the years."

Facts and Fancy

Once upon a time there was a small colony of white people at High School, North America. In this colony lived an old man. He had lived there for years and years. In fact he could hardly remember the time over in the old country when he was chosen to go to the new colony.

He was but a child then, but the old schoolmaster had tested him and said he passed all qualifications. So with these test results

Thirty Cagers Attend Opening Drills

Thirty candidates for basketball turned out Monday.

The initial workout was light with Coach Orrin Hills sending his players through a few passing drills and a little shooting practice with emphasis on conditioning.

"Although it's too early to tell much yet, I think the boys will come along alright," Hills said. "They seem anxious, spirited and willing to work."

Seven lettermen from the 1954 squad reported to the practice. Three of these, forward Mickey Dean, guard Duane Peppley, and forward Darrel Reisch, were starters on last year's team which won 19 and lost 11. Other lettermen back are forward Clarence Kinzler, guard Duane Steuckle, center Leon Doane and guard Hal Weber.

Four transfer students reported to the first session. They were Jay Dean from Oregon State College, Norman Blair from Boise Junior College, Dave Gardner from Lewis and Clark College and Don Hartwig from the University of Washington.

Arnie Finkbeiner who has college basketball experience, but who did not play last year, also turned out.

SOPHOMORES INCLUDE

Sophomore candidates who were members of last year's successful NNC junior varsity team

are Don Doane, John Finkbeiner, Dan Martin, Ben Clouser, Al Freeman, Cecil Campbell, and Keith Jones.

Four freshmen, Don Constable, George Zickafoose, Sam Willard

SLAs Retain Second Place

The Olys who are noted for fast finishes were not fast enough to win Thursday, October 27, as they went down to defeat at the hands of the SLAs 13 to 6.

The SLAs lead 13 to nothing for 3 quarters and most of the fourth before the Olys scored. As the final gun went off the Olys were threatening deep in the SLA territory.

LSPs Sink Into The Cellar

With most of their regulars missing because of week-end visits home, the hapless LSPs were shoved farther into the cellar Friday night by the league leading ADPs.

It was the purple and gold's

best scoring effort as they piled up 31 points, running from spread and T formations. Final score — ADPs 31, LSPs 0.

ADPs Come Back 12-6

Still stinging from a 34 to 0 defeat at the hands of the SLAs, the scrappy ADPs tripped their arch rivals 12 to 6 in society football Monday.

The ADPs were the first to draw blood in the second quarter as Johnson scored on a quarterback sneak. The SLAs tied the score at 6 to 6 with a pass from Dewater to Etulain in the third quarter.

The final ADP score came on a pass from Gish to Cantrell.

Olys Win Despite Injury

In a game that saw the seasons first injury the Olys outlasted the LSPs 13 to 6. Oly end Ron Kirkpatrick caught a pass, was tripped, and displaced his finger.

Dillon scored in the first quarter for the Olys on an end run and Clark intercepted a pass to score for the LSPs. Dillon took the second half kick off and raced the length of the field to score the final tally.

This game has been officially protested by the LSPs. Byron

Clark caught a pass and was in the clear when his flag fell out. The referees did not allow the score to count, but called it the LSPs ball where the flag fell. The protest will be considered at the next athletic literary council meeting.

CHS Ends Season With 6-1 Record

The College High Trojans brought down the curtain on the 1955 season by winning their final game with Donnelly- McCall High School 33-25.

Larry Hull was high scorer for the Trojans with 12 points. The other scorers were: Bill James 7, Dave Jackson 6, Perry Winkle 6, Don Olmstead 1, and Dick Ness 1.

The most outstanding play of the game was when L. Hull received the ball on the kick-off, at the 10-yard line, and carried it all the way for a TD.

The Trojans ended their season with a 6-1 record.

Total points for the season are as follows: Larry Hull 36, Jerry Hull 23, Dave Jackson 12, Bill James 7, Don Olmstead 7, Perry Winkle 6, and Dick Ness 1.

Cupid's Corner

Mr. and Mrs. M. R. Van Tassel, Nampa, Idaho announce the engagement of their daughter, Elaine to Wes Tindall. She is a former student of NNC. No wedding date has been set.

This evening at 8:00 in North Side Church of the Nazarene a marriage ceremony will take place between Betty June Coffman, daughter of Mr. and Mrs. Steve Coffman, and Phillip Younger, both of Nampa.

Circle K Installs Members

New members Dick Ramsey, Darrel Marks, Paul Miller, and Bill Zuercher, attended their first Circle "K" luncheon of the year last Wednesday noon. Rev. Richard Jackson spoke on "How to be a Successful Minister," comparing it to success in any other field. Special guests present were Mr. James Feltar, representative of the local Kiwanis Club, and Mr. Lewis Roberts, alumnus of N.N.C.

Nampa Teachers Address F.T.A.

The second meeting of the E.E. Angell Chapter of Future Teachers of America was held Tuesday evening, November 1. The highlight of the night was a panel discussion by five critic teachers who discussed the question, "What do critic teachers expect of their cadets?" Elmer Bittleston, commercial teacher at Nampa High, was the moderator.

Nine-to-Five Club

Rev. Stowe was the guest speaker at the Nine-to-Five Club luncheon held Monday, October 31. He spoke on the functions and qualifications of a good church secretary.

Many improvements have been made in campus offices this month as a result of Nine-to-Five's October emphasis, "Brushing Up." Secretaries receiving honorable mention are Helen Franklin, Joy Tink, and Donna Murray. Walls have received that "new look" with coats of paint; furniture has been painted, polished, and rearranged; and drapes and pictures have been hung, to say nothing of attractive bulletin boards and colorful planters placed here and there. Phyllis Hartley, Ramona Lloyd, Delores Little, Thirl Lilly, and Pat Nine are others who made improvements in the offices where they work. Lucky are the professors having Nine-to Five Club secretaries who are "on the ball."

Don Bowman Joe Stockett

The picture in last week's Crusader, with the Foreign Missions Band report, was not Don Bowman but that of Joe Stockett, a former N.N.C. student now attending Pasadena College.

C.W.B Chariot Journeys

Did you notice how crowded the highways have been with chariots these last few weeks? Christian Workers have been rushing left and right trying to keep up with the busy schedule. Many groups have been making special trips, among them was a trio composed of Rosemary Aman, Mary Lou Oldenkamp, Allan Rodda, and Shirley Thompson, accompanist. The group went to Walla Walla, First Church of the Nazarene where they presented a 20-minute Sunday school program and sang two numbers in church. The Victory Vocalaires also sang two numbers at the Franklin Community Church here in Nampa.

length. Preliminaries will be run off by the individual societies. They will choose their own winners to represent them in the speech contest. Winners in each division in the final contest will receive 100 points for their society. Second place winners receive 75 points, third 50 points, and fourth 25 points.

Film, "Rhapsody in Bluegrass," to be Shown Nov. 18

Friday, November 18 at 8 p.m., the Boise Valley Natural History Society and the National Audubon Society will present an all-color motion picture in the chapel.

The film, "Rhapsody in Bluegrass," reveals the glories of Kentucky — magnificence of meadows, woods and mountains; farms, fields and Southern mansions.

Naturalist Walter H. Shackleton of Louisville, Kentucky, takes his audience on a magic carpet tour of the blue grass state. This fast-moving, living color film, chock full of wildlife lore, is a program to arouse intelligent interest in nature.

THIRTY CAGERS ATTEND

and Wally Steward, also made their bid Monday.

The team settles down to serious business Dec. 3 when it hosts Eastern Oregon College of Education.

This year's squad will be the first NNC basketball team to compete in the Intermountain Collegiate Athletic Conference. Other schools in the league are Ricks, Carbon, Snow, Dixie, College of Southern Utah, Boise Junior College, and Weber.
