Top in Graduate **Records Exams**

Dean Thelma Culver announced recently that returns on the Graduate Records Examinations have been received and are being analyzed by Miss Evelyn Gray, head of the testing bureau, and Dr. Cul-Stover and Groenig

According to Dr. Culver the analysis on the Advanced Tests shows very satisfactory results with 21 of the 82 seniors who took the examination making scores in the top quartile.

Of this top quartile five students placed in or above the 90th percentile. This group included:

Leona Barnes, biology, 99 percentile

Louise Burkey, education, 99 percentile LaVerne Hartwell, education, 98

percentile John Cummings, education, 92

percentile Dorothy Mitleider, education, 92

percentile A complete summary reveals that 21 students placed in the first quartile; 19 were in the second

quartile; 22 were in the third quar-

tile, and 20 were in the fourth quartile. Dr. Culver said that test results are used to advise seniors regarding their standing with majors in the same fields in other colleges. It is a fair indication of their abil-

she said. The analysis of the area examinations including the social sciences, humanities and natural sciences is not as favorable as the

advanced test scores analysis. "As a whole the seniors have not made as much improvement since their sophomore examinations as we had hoped," said Dean Culver.

"Sophomores who took the area examinations this year are urged to study the results carefully and to build up through course work the areas where they are weak," she continued. "We trust that by this procedure the scores two years from now will indicate not only adequacy in the major field but also in the humanities, social sciences and natural sciences."

In announcing the award Prof. A. Elwood Sanner said, "The purstudents to show in their preaching evidence of both Biblical exegesis and theological insight."

The sermons were first read by a panel of judges and then three finalists were selected to preach their sermons for the judges. This year's finalists included Mattson, Burkhart and Jerry Hull.

Serving as judges this year were President Riley, Dr. Eric Jorden, Prof. M. Francis Reeves, Dr. Gilbert Ford and Prof. Marian Wash-

Prof. Sanner said that presentation of the cash awards and recognition of the winners will be made during the Last Chapel Service on commencement day.

Thomas Gifford Nees, philosophy major from Los Angeles, Calif. was winner of the award last year

Thoughts From The President ...

By AL JONES

Dear fellow student,

This letter will be a little cold when you read it. However, the farmth in my heart, which is the result of a successful year, prompts me to write. This warm feeling will always be a part of me because I've had the privilege of serving you this year. The school has been outstanding in many ways. The things which have been outstanding, you will always remember, so it will not be necessary to review them. We will certainly not forget the experiences that have been most meaningful. We may tend however, to forget the inspirational and spiritual refreshment which have made these experiences meaningful. My prayer for each of you, as you leave school this spring, is that God may help you to remember the committments and promises which you've made to Him in these times of inspiration and spiritual refreshment. It is these things that matter most in the realm of eternal values. It is these things which you find to be the only solid foundation in life's trying moments. "Hold fast to that which is good."

Thank you for the privilege of being your student body president this year.

-Al Jones

Results of GMS Poll Released

The results of the poll taken in chapel by the General Missionary Society have been relased. All of the choices were in close running, but the top three choices were: more information on project field; information for possible lay work; and information on world affairs influencing the mission fields.

Clayton Bonar, president of the society, said, "I would like to thank everyone who pledged for the project field and each one who has put his time, energy and prayer for the General Missionary Society. I also think that the society has a good group of officers for next year, and I wish them the best of luck."

A returning student recently asked: "What's going on in the world? I haven't heard any news since I've been back in this isolation." He was only half-joking when he spoke of the isolation of this college, but he did, however, point up an important trend which is sometimes seen when thought is focused in the small community.

This trend is seen when the affairs of the world lose proportion to our personal affairs, when, for example, what Khrushchev is doing loses proportion to what our roommate is doing. . .

Maintenance of a broad scope of thought means keeping posted on the developments in world affairs. It's up to us to keep ourselves informed so that we can more perceptively contribute to class room discussions, so that we can mentally hold our personal affairs in proper perspective, so that we can give fuller meaning to our liberal arts education.

DIRECTOR LISTS SPRING CHAMPS

Intramural competition finished the school year with a bang, headed by the individual and dual sports. Intramural director Elmore Vail gave this list of winners:

Tam Garner and Linda Roberts -winners of the women's shuffleboard doubles, with Marilyn Kaelke and Jan Moore placing second. All were Athenians.

Dick Etulain and Max Read overcame Jorge Bravo and Ralph James for top honors in the men's horseshoe doubles. The four men were

Dorothy Mittleider took Mary Waller for championship badminton women's singles. Gordon Olson, SLA, edged Dave Jennings, ATH, for the men's singles.

In the women's archery doubles, Linda Roberts and Lois Willcuts, ATH, overcame Sandi Patton and Nelda Seward, 3LA, for top victory.

Jerry Dirkse, ADP, walloped Roy Hall, SLA, in the Class A men's tennis singles tourney for champion honors.

Dorothy Mittleider tipped George Harper in the NNC recreational tennis tourney, winning the title in the "all-comers" event.

Many other intramural events took place after the deadline of this issue, but before printing, making

Cinder Squad Ends Successful Season

Crusader cindermen ended the regular season Tuesday with a win over Eastern Oregon College at Bulldog Bowl. This was their first victory of the season, while they also won three seconds, one third, and one fourth place.

Although the team had no outstanding times in the running events, good marks were posted in the high jump with Marty Sharp jumping 6'31/2", and in the javelin where Tom Ellis achieved a best mark of 172'9".

Due to greater depth, the team has enjoyed the most successful season of recent years. The future looks bright, also, as many on this year's team are underclassmen.

Two seniors on the team, Al Freeman and Jerry Hull, have both realized a successful college track career. Al turned out for track his freshman and sophomore years, running the hurdles and the halfmile. In his junior year, he worked his way to the nationals, where he ran the hurdles. He has run close to the school record in both the highs and the lows this year, and has won all but two of his races.

Jerry was successful in freshman and sophomore years as he ran the 440, the 880, and was a member of the mile-relay team which holds the school record. Jerry's involvement in church and school activities resulted in less time for track during his junior and senior years. He can always be depended upon to do his part of the job, and has contributed steadily to the team's success this year.

Al and Jerry both have been an inspiration to their underclass team-mates and will be noticeably missed next year.

Al, Marty Sharp, Jim Lenn, John Reed, Leroy James, and Hank Savage will represent NNC at the District 5 NAIA meet at Dillon, Montana, which will be held Saturday, May 14.

The dictionary is the only place where success comes before work.

NNC Trackmen Cop **Second in District**

Last Saturday six Crusader trackmen competed in the District 5 NAIA Meet held in Dillon, Montana. These six compiled four firsts, two seconds, one third, and two fourths, including three records in placing second in team points.

John Reed set a new district meet record in the 440-yard dash with a time of 51.6 seconds and also won the 880-yard run with a time of 2:06.4. Freeman set a new record of 15.5 seconds in the high hurdle event. Sharp posted a new record in the high jump with a leap of 6 feet 21/2 inches.

IT IS AN HONOR to have these three members of the team eligible to compete in the National Championship Meet in Sioux Falls, South

Savage placed second in the pole vault. Lenn and James placed fourth in their mile and two-mile events respectively.

Throughout the season, Reed led in total points with 82, followed by Freeman with 621/2 points.

Freeman, named by his teammates as honorary captain of the squad this year, has made a vital contribution to the Crusader's track team in the four years he has lettered. His name goes up on the record board for tying the highhurdle record of 15.5 set by Dan Ogburn.

SPECIAL RECOGNITION goes to Jim Lenn for being named this year's most inspirational member. Also of special note is the fact that Marty Sharp started the year by setting a new record in the high jump with a mark of 6 feet 1/2 inch in the NNC Invitational. In consecutive meets he raised the record to 6 feet 1 inch, then 6 feet 2 inches and finally to 6 feet 31/2 inches.

A MEMORY

By BOB ANDERSON

Another successful sports year has been completed by NNC athletes. It wasn't an outstanding year sports-wise but many complimentary things can be said about

The senior athletes leaving have proved themselves beyond expectations and will be missed next year. But freshmen, sophomore, and junior athletes have improved and gained experience during the past year which causes us to look forward to next year.

The basketball gym will forever be ringing with this year's cheers for victory and the sound of pounding and screeching of rubber shoes. The sights and pageantry of homecoming night will forever be impressioned in our minds as a leaf is impressioned in the rock.

The sound of spikes slashing through the cinders will remain with us as long as the wind imitates the sound by crashing through the leaves of trees.

Each sports event of the past year is now a memory. There were many laughable happenings during contests and there were many great plays.

Each senior athlete before leaving will once again glance over the now empty gym or court or deserted track or baseball field. He will remember many happenings, wins in which he had a part. He will be thankful for having been able to participate in athletics with other Christian men. He will know that because he has been a part of Christian athletics at NNC he has been strengthened in spirit, strength, character, and knowledge.

Tom Ellis also set a new mark in the javelin.
